

what's hot

◀◀ **Blooming bubbly.** Place a wild hibiscus flower in your guests' champagne as a garnish to add some "life" to the party. It adds delicious flavor and the bubbles stream off the syrup that is holding the bulb together. At the end of the drink, you can eat the flower! Submitted by *An Affair to Remember*

➔➔ **Wish you were here.** These save-the-date postcards have a mini envelope attached to surprise your guests with the wedding information. Submitted by *Your Fantasy Affair*; photo by *Damon Tucci Photography*

◀◀ **Hooked!** Give your best gal pals Luxe Link—it's the chic accessory that is a purse hook and unwraps to attach to a table to keep her pricey purse pristine. Submitted by *LuxeLink.com*

➔➔ **Chill out.** Incredible ice creations, like martini glasses, luges and the the hit of the season—pure, clear ice balls. Submitted by *IceCaters.com*
